Aug 16, 2010 However, the worst part of the game is the sequel which is a sequel of the 2003 game. All features are same except a few... I think that is what you expected from game developers. Dec 9, 2010 Based on the movie Need for Speed: Shift 2: Unleashed (2005), Need for Speed Shift 2: Unleashed brought us the game's best features - real driving, breathtaking images and music. Nov 12, 2010 First DLC comes with the ability to set an image as the main image on the HUD in preference of the speedometer, instead of the general main image that was used in the racing game. Nov 12, 2010 The first DLC added the driving school in which you could race with other drivers of your level (based on your performance). Nov 12, 2010 The second DLC included more tracks and the ability to parkour over the concrete wall on flat terrain. Nov 12, 2010 The third DLC added more achievements and we can now unlock all the cars without cheat codes. Feb 3, 2011 An update for the game included new cars (with performance speed adjustments), retimed and retuned cars, the ability to watch replays in slow-motion, and, for the first time,. Dec 31, 2019 The DLC "Fury" included: Over 170 new tracks with the ability to . New cars in each of the driving categories. New abilities (drift and tricks) to perform.
