About SparkFun SparkFun is an online retail store selling the bits and pieces to make your electronics projects successful. Whether it's a robot arm or a smart phone, SparkFun has the components and expertise to make it happen. SparkFun may be an online retailer, but we're just a bunch of geeks. Our ByBill, ByDavid, ByEvan, and ByJon policies keep customer service teams focused on you. More... Fiorino rues lack of Marquez poles Title rivals Rossi and Lorenzo fined €10,000 each Published: 23 January, 2015 Marc Marquez has now seized pole position at the seventh round of the 2015 MotoGP Championship, held at the Phillip Island circuit. The track record was set by Andrea Dovizioso who claimed pole position by just over a tenth of a second from Marquez. The gap that Marquez, Dovizioso, Jorge Lorenzo and Dani Pedrosa now all have on the next non-factory Honda rider and Ducati rider respectively is 5.394s, so it's looking likely that the positions will stay much the same this weekend. Pole position meant that Marc Marquez also secured this weekend's 50,000 eur (€47,429) bonus point. Perspectives on the management of primary CNS lymphomas in AIDS patients. The management of patients with primary CNS lymphoma (PCNSL) is limited by the known risks associated with biopsy, chemotherapy, and radiotherapy, which include increased rates of opportunistic infections, neurotoxicity, and other adverse events. While many regimens have been reported to treat PCNSL in the non-AIDS population, and newer regimens have been proposed for PCNSL in HIV-
