I just bought pES 2019 for Wii and also have FIFA 20. I bought the game for the Wii. I tried to download itunes at the Wii home screen of pES 2019 on Wii and it didnt recognize it and said it wasnt installed yet. It is because I dont have the settings.exe. I downloaded pES 2019 on my computer and downloaded the settings.exe. I opened it and tried to install it. When I hit install it said I didnt have the correct version of Windows which is the service pack. I installed a program to fix that. After that I am still not able to get pES 2019 working on the Wii. I went to c: drive and installed it again and didnt fix it. I searched on google and nothing came up other than settingsexesPES2013 download. I have this registry.dat file with the string I need. Please help me. The most popular PES 2013 version is fairly straightforward. is an interactive tool based on a graphical interface that
