## Frozen 2013 Subtitles English 720p 239

Anna remembers something her mother had told her and tells Elsa the truth about her mother's death. Elsa was very sad and wanted to drown herself in the frozen lake. Instead, she managed to escape and went into hiding in the North Mountain with Olaf. Anna leaves to search for Elsa, while Olaf is left behind. When Anna finally finds Elsa and takes her into the arms of her sister, Elsa reveals that she knew Anna was still alive even though she had been searching for her so long. Anna thanks Elsa for keeping the memory of their childhood alive and that she has always been there for her. A man named Benjamin Hanshu arrives at the radio tower and helps Kristoff get out. Kristoff is bewildered that an act of true love would have melted his sister's heart, and he is certain that this is why she has come to the mountain. Hanshu attempts to talk to Anna, but when it appears that she can barely speak or hold herself upright, Hanshu fears she is frozen as ice for good. As they begin their journey towards Arendelle, a large flock of snowbirds passes by, with the man at the front using his magic to scatter them. The only ones remaining are a rooster named Peetie and an unnamed duck, whom he releases. In a moment of kindness, the duck tries to help Elsa and Anna, but is himself frozen and must be rescued by Kristoff. Anna drives the sled, while Kristoff pulls Sven, with Hanshu driving another sled. He attempts to aid them in the journey and offers his help; when Anna is finally able to speak, she informs him that the only person to save her is Elsa, and if they are to reach her, they must be the fastest. Kristoff agrees to Anna's request, and when they reach the home of the Royal Ice Palace, Hanshu's team has already arrived there, and Hanshu is reunited with his brothers. However, when he attempts to help Elsa, a huge ice monster appears and chases him away. His brothers, Varelli and Owen, give Anna the message that the royal family is dead; they were lost in a blizzard that is said to be more dangerous than the ice that has frozen the entire kingdom. 5ec8ef588b
